CANNED FOOD DRIVE

together we CAN make a difference

The Mooreville Soup Kitchen is a non-denominational, faith based organization whose mission is to provide nourishing meals, fellowship and encouragement to those in need. We are the first stop for so many who are in need and looking for direction. We serve over 4,000 meals monthly from our location in downtown Mooreville. We also provide Emergency Food Boxes and other resources as needed.

Proverbs 21:26 ...the righteous gives and does not hold back.
